Our hints for the tasks

1 from 6

Greater than or less than?

1. Hint

When comparing numbers, we start by looking at the tens place.
35 has a 3 in the tens place.
Is the number in the tens place greater than or less than 3?

2. Hint

If the numbers in the tens place are the same, look in the ones place and compare.
35 has a 5 in the ones place.
Is the number in the ones place greater than or less than 5?

Solutions and solution approaches for the tasks

① Greater than or less than?
from 6

Answer key: A: 1, 2 // B: 3, 4

The number 35 has 3 tens and 5 ones. When comparing numbers, we start by looking at the tens place and seeing which one has more. Remember, we start with the tens place because it is the larger place value. When the numbers are the same in the tens place, then we need to look at the ones place to compare.

33: The number 33 is **less than** 35. It has 3 tens and 3 ones.

82: The number 82 is **greater than** 35. It has 8 tens and 2 ones.

15: The number 15 is **less than** 35. It has 1 ten and 5 ones.

60: The number 60 is **greater than** 35. It has 6 tens and 0 ones.
