Count the coins.

Fill in the blank with the correct amount of cents.

Zuri and Freddie have counted up their coins and need to make sure they've counted correctly. Can you help count their coins?

Our hints for the tasks

1
from 6

Count the coins.

1. Hint

Use this image to help you order and count the coins above.

2. Hint

After ordering the coins, create an addition equation with the values.

Solutions and solution approaches for the tasks

1
from 6

Count the coins.

Answer key: 83

The image above shows the coins in order from largest to smallest and the values underneath. After ordering the coins, create an addition equation with the values. This set's equation should be:

- 25 + 25 + 10 + 10 + 5 + 5 + 1 + 1 + 1 = 83¢
